PLENTY OF PARKING AVAILABLE FOR FIREWORKS VIEWERS IN CAROLINA BEACH

CAROLINA, NC--The dazzling fireworks display scheduled for this Saturday, July 3, 2004, at 9:30 p.m. will be visible from all points across the beach according to officials from the Pleasure Island Merchants Association (PIMA), which is hosting the event. Fireworks will be launched near the beach stage area, however it is not necessary for people to congregate there for a good view. To alleviate potential parking problems, the Town of Carolina Beach urges people to utilize any of the municipal parking lots or spaces near the beach accesses all across town. Enjoy the show and be advised that all local parking ordinances will be in effect on Saturday night. For more information about the fireworks, contact PIMA at (910) 200-3288.
