STATE EMPLOYEES CREDIT UNION ATM COMING TO CAROLINA BEACH TOWN HALL

CAROLINA BEACH, NC---Soon Town of Carolina Beach employees, citizens and visitors will have the convenience of having a State Employees Credit Union (SECU) Automated Teller Machine (ATM) located here at the Police and Municipal Complex & Visitor's center, also known as Town Hall. The ATM will be installed by April 30, 2004, according to SECU officials. It will be located in the front of the Police Department in the parking lot. This new ATM will be the 11th SECU CashPoints ATM in New Hanover County. The ATM currently located in the Federal Point Shopping Center in Carolina Beach will be closed after the new one opens.

"We on the Council are excited about this unique partnership with SECU which allows the convenience of 24-hour banking to our employees and visitors," said Mayor Dennis Barbour.

As far as design, the Town Hall ATM will be similar to the SECU's existing ATM located at the Monkey Junction GoGas Station located at 5648 Carolina Beach Road. The ATM will also be painted to blend in with the colors of Town Hall. SECU does not surcharge anyone to use the ATM regardless of their financial institution. Many of the approximately 100 Carolina Beach employees already are members of the SECU or the Local Government Credit Union.

Town Council unanimously approved allowing SECU to install the ATM here at their February 26th Workshop Meeting. SECU will be responsible for all construction, utilities and maintenance of the ATM.
