### **Carolina Beach Getting Upgraded Traffic Signals from NCDOT**

CAROLINA BEACH, NC--Over the next two months, Carolina Beach will be getting new and improved traffic signals along Lake Park Boulevard, the town's main thoroughfare.

NC Department of Transportation started Tuesday, January 20, 2004 upgrading traffic signals on Lake Park Boulevard/Highway 421. The Carolina Beach lighting project is part of NCDOT's routine upgrade and maintenance program. Plans call for installing pedestrian controls at Cape Fear Boulevard, Harper Avenue and Carl Winner. Improved lights at Federal Point Shopping Center, Dow Road and Snow's Cut Crossing are also included in the plan.

"We are very fortunate to have been selected for new lighting at no cost to the town," said Mayor Dennis Barbour. The entire lighting project is expected to take 30 to 45 days for completion.
