

ORDINANCE NO. 06-627

***An Ordinance Amending Appendix A Zoning
Chapter 7 Off-Street Parking & Loading Requirements,
Section 7.1 Off-Street Parking Standards,
(a) Off-Street Parking Space Schedule and
(e) General Provisions & Requirements,
(7) Parking Design & Construction,
(a) Requirement Surfacing***

The Town Council of the Town of Carolina Beach hereby amends Appendix A Zoning, Chapter 7 Off-Street Parking & Loading Requirements, Section 7.1 Off-Street Parking Standards, (e) General Provisions & Requirements (7) Parking Design & Construction, (a) Requirement Surfacing, to read as follows:

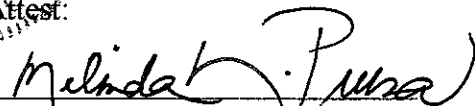

(7) Parking design and construction.

- a. **Required surfacing.** All parking facilities shall provide a paved surface of concrete or asphalt material. Concrete pavers, brick, "turfstone", pervious or semi-pervious materials(i.e., "turfstone" or gravel) or similar material may be used if determined to exhibit equivalent wear resistance and load-bearing characteristics as asphalt or concrete and acceptable to the Director of Operations Public Works Director.

Adopted this 11th day of April 2006

Bill Clark, Mayor

Melinda N Prusa, Town Clerk
