

ORDINANCE NO. 09-807

*An Ordinance Amending the
Carolina Beach Code of Ordinances
Chapter 16, Article II, Water*

The Town Council of the Town of Carolina Beach hereby amends the Utility Ordinance, Chapter 16, Article II, Water by adding the following:

Sec. 16-31

Irrigation Meter Requirement

All new in-ground irrigation systems installed after July 1, 2009 that will be supplied water from the Town of Carolina Beach Water System ID# 04-65-015 shall be independently connected to the system and water consumption shall be measured through a separate irrigation meter.

Methods of Connection

An irrigation service line shall be installed by a split tap off the domestic service line at a point before the domestic meter. This connection, meter and box shall be installed by The Town of Carolina Beach Utilities Dept. and shall be located next to or near the domestic water meter. The property owner/developer is responsible for installation of the irrigation lines beyond and connection to the irrigation meter

Technical and Other Requirements

An irrigation service line, the irrigation meter and all related appurtenances shall be installed in accordance with the same regulations, policies and procedures that apply to domestic/non-irrigation meters. Fees for irrigation meters shall be determined as listed in The Town of Carolina Beach Annual Budget, Rates and Fees Section

Adopted this 9th day of February 2010.

Joel A. Macon, Mayor

(SEAL)
