

NOTICE TO THE PUBLIC

IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

Town of Carolina Beach Has Not Met Monitoring Requirements

We are required to monitor your drinking water for specific contaminants on a regular basis. Results of regular monitoring are an indicator of whether or not our drinking water meets health standards. During the compliance period(s) specified in the table below, we [‘did not monitor or test’ or ‘did not complete all monitoring or testing’] for the contaminants group(s) listed and therefore cannot be sure of the quality of our drinking water during that time.

CONTAMINANT GROUP**	ENTRY POINT/ LOCATION CODE	COMPLIANCE PERIOD BEGIN DATE	SAMPLING FREQUENCY	WHEN SAMPLES WERE OR WILL BE TAKEN (Water System to Complete)
LC	ALL SAMPLE POINTS	JULY 2006	3 YEAR	SEPTMEBER 2007

** See back of this notice for the complete list of individual contaminants for each contaminant group

What should I do? There is nothing you need to do at this time.

What happened? What is being done? When will the problem be corrected?

During the 3rd quarter of 2006, a monitoring violation was issued to the Town of Carolina Beach by the State and the following year the Town completed the required sampling. Reference to this violation was made in the Town’s 2007 Consumer Confidence Report but because the Town failed to use the language required by the State a “Public Notice” violation was issued in May of 2008.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.
