### **Wing Fling March 24, 2012**

Dr. Mallalieu requested that they be able to have another Wing Fling at the Carolina Beach Boardwalk on March 24th. Dan had some concerns from the Boardwalk business owners. They will meet all of the Town requirements, especially regarding the fencing and the porta-pots. They would like to meet at the site in November to get an exact layout. They will contact Dan to set up the meeting, he will notify our committee of the time and place. The approximate time of the festival is 11AM -5PM, and everyone cleaned up and out by 7PM.

### **Minutes**

Michal motioned to accept the August 24th minutes, Teresa 2nd, all agreed.

### **Revolution Fall Festival Sept. 16-18, 2011**

Michal was very pleased with the way the Revolution Fall Music Festival went. To date he has taken in \$1500.00 and spent \$1000.00, leaving a \$500.00 profit. He would like to consider charging an entrance fee for next years festival. He is also going to try to get a local private business to provide transportation to the North End. Right now he needs a parking lot that would accommodate the crowd. He will work on both of these items. He has a girl that will make T-shirts, which he can sell for \$20.00. He did not have very many made for this years event and sold out.

### **Island Day September 24, 2011**

Dee said the festival was a success despite the bad weather. She suggested we get started earlier next year. Chris suggested that the A & A Committee take over running the meeting so we can start earlier and be better prepared. We all agreed.

### **Calendar Exposure**

Dee said the Town has changed the name of the calendar from A & A Events to Master Calendar of Events, which should work better.

### **Art Show/Bench Design Contest**

Chris would like to do a Juried Art Show in May 2012. She will get a group of volunteers together and let us know where and when so we can work out the details.
