TOWN OF CAROLINA BEACH INSTALLS NEW WEB CAM AT THE SKATEPARK

CAROLINA BEACH, NC--- Parents can now view their children skating at the Town of Carolina Beach Skatepark online with a few clicks of a computer mouse. The town has installed a new web cam at the skatepark and it is now operational and accessible to the public. Viewers can see live video of the skatepark at any time.

To view the skatepark online, go to www.carolinabeach.org and open the Parks and Recreation Department page. Click on the photo of the skatepark to access the web cam. Another route of access to the web cam is <http://72.243.212.10/cbcam/>

The web cam has been installed as an added safety and security measure for the people who use the skatepark. Since its June 2007 opening, the skatepark has become very popular with local youngsters and adults as well as people from other areas. Town police will now have the ability to use the tapes created by the webcam to review any accidents or incidents that may occur there.

The skatepark is located on Dow Road within Mike Chappell Park.
