### **Lake Park Boulevard Traffic Study Workshop-September 13, 2017**

**CAROLINA BEACH, NC** – The Town of Carolina Beach will be holding a public workshop for an upcoming Lake Park Boulevard Traffic Study on Wednesday, September 13, 2017. The meeting will be held at Town Hall in Council Chambers from 6:00 p.m. to 8:00 p.m.

The workshop will begin with a short presentation from consultant Jonathan Guy with Kimley-Horn, reviewing data and some of the constraints related to the area between Carl Winner Ave. and Dow Rd. Following the presentation, participants can visit interactive stations at their own pace and help provide us with information, context, and ideas about the traffic issues in the project area. Feedback from participants will contribute to the planning process, including the creation of goals and objectives, and the understanding of existing conditions of traffic on Lake Park Blvd. between Dow Rd. and Carl Winner Ave.

The Town encourages anyone interested in this topic or who work or own property in the traffic study area to attend.
