Temporary Closing of Freeman Park

CAROLINA BEACH, NC - The Town of Carolina Beach will begin construction of a wooden "Hatteras" ramp at the entrance of Freeman Park, which is located on the Northern end of Canal Drive. Freeman Park will be closed to vehicle traffic from April 7th through April 16th.

This ramp will begin at the end of the existing pavement and extend north 320 feet along the narrow entryway between the dunes where most of the congestion problems occur. The ramp will provide a solid driving surface for those vehicles in the narrow access/egress area of the Park and should alleviate traffic backups during peak times.
