TEMPORARY CLOSURE FOR SNOWS CUT WALKING TRAIL

CAROLINA BEACH, NC – Portions of the Carolina Beach Snows Cut recreational walking trail will be closed beginning sometime in November 2017. At that time, US Army Corps of Engineers (USACE) anticipates that a construction contract would be underway in Snows Cut to mitigate bank erosion caused Hurricane Matthew last year. Federal dollars have been appropriated for this project, and involves three areas of Snows Cut: two locations are on each side and east of the bridge, and one is near the NC Wildlife boat ramp.

The project is expected to last through the end of Spring 2018. Diagrams of the project areas can be viewed by [CLICKING HERE](#). You may also visit our website at www.carolinabeach.org.

If you have any questions regarding this project, please contact Jim Medlock, Shallow Draft Navigation Program Project Manager, Wilmington District, US Army Corps of Engineers, at (910) 251-4836.
